ANTI-WRINKLE CARE

PURE SKIN

VENOME ANTI-WRINKLE COLLAGEN CREAM

Skin regeneration through natural active ingredients

Day & night anti-wrinkle cream

| For skin prone to wrinkles and requiring regeneration |

ACTIVE INGREDIENTS

Squalane

Shea butter

Tremella Extract

Heartleaf Extract

Glycerin

Chondrus Crispus Extract

96% ingredients of natural origin

ACTION

A deeply hydrating anti-wrinkle cream for skin in need of renewal and regeneration. Phyto-collagen from Tremella fuciformis firms and smooths the skin, visibly reducing wrinkles. Shea butter and squalane strengthen the lipid barrier, deeply moisturize, and prevent loss of elasticity.

Heartleaf extract soothes the skin and relieves irritation, while red algae provide antioxidant protection and support natural repair processes.

Additionally, panthenol, allantoin, and lactic acid aid skin regeneration and restore comfort to dry, rough skin.

Smooths the skin texture

Boosts skin hydration and elasticity

Supports lipid barrier regeneration

Reduces the appearance of wrinkles

DIRECTIONS FOR USE

Apply to cleansed skin of face, neck and décolleté, gently spread. Perfect under make-up. Use day and night.

Assessment of the marketing declarations claimed for the cosmetic product AFTER 4 WEEKS USE OF THE PRODUCT

The product effectively regenerates the skin.	92%*
After application, the skin is firmer and more elastic.	96%*

VENOME ANTI-WRINKLE COLLAGEN EYE CREAM

Skin regeneration through natural active ingredients

Day & night anti-wrinkle eye cream

| For skin prone to wrinkles and requiring regeneration |

ACTIVE INGREDIENTS

Tremella

Heartleaf

Glycerin

Squalane

Panthenol

Vitamin E

94% ingredients of natural origin

ACTION

This nourishing eye cream, with a lightweight texture, deeply hydrates, firms, and smooths the skin.

Phytocollagen from Tremella fuciformis reduces wrinkles and improves elasticity. Houttuynia cordata extract brightens dark circles, evens skin tone, and strengthens the skin.

Squalane, shea butter, and panthenol support regeneration, provide protection, and deliver long-lasting hydration, while red algae extracts reinforce the skin's barrier and offer anti-aging benefits.

Smooths the skin texture

Boosts skin hydration

Reduces the appearance of wrinkles

Soothes dry and tight skin

DIRECTIONS FOR USE

Apply on the skin around the eyes, gently spread. Use day and night, also under make-up.

VENOME ANTI-WRINKLE COLLAGEN SERUM

Skin regeneration through natural active ingredients

Day & night serum

| Skin with reduced vitality, prone to wrinkles, in need of regeneration |

ACTIVE INGREDIENTS

Squalane

Heartleaf

Tremella

Glycerin

Chondrus Crispus Extract

Lithothamnium Calcareum Extract

97% ingredients of natural origin

ACTION

A milky serum for skin that needs regeneration, tired and prone to wrinkles, which intensely hydrates, smooths, and supports the skin's natural repair processes. Phytocollagen from Tremella fuciformis reduces the appearance of wrinkles and improves firmness.

Olive-derived squalane protects against moisture loss and supports regeneration. Heartleaf extract has antioxidant properties, reduces the appearance of wrinkles, and brightens and evens out skin tone. Red algae extracts strengthen the skin's protective barrier and help prevent aging.

Smooths and hydrates the skin

Improves skin firmness

Reduces the appearance of wrinkles

Brightens the skin

DIRECTIONS FOR USE

Apply to cleansed skin of the face, neck, and décolleté. Gently massage in. Follow with a suitable cream. Use morning and evening.

VENOME ANTI-WRINKLE HYALURONIC SERUM

Multi-dimensional wrinkle reduction

Day & night serum

| Mature skin, prone to wrinkles, requiring hydration |

ACTIVE INGREDIENTS

Hyaluronic acid

Prebiotics

Glycerin

Panthenol

Centella Asiatica Extract

Hydrolyzed Rice Protein

96% ingredients of natural origin

ACTION

Advanced hydrating & anti-wrinkle serum that restores comfort to dry, tight skin. This concentrated formula visibly reduces fine lines and smoothes the skin's texture thanks to Hyaluronic Acid and Hydrolyzed Rice Protein, which deeply hydrate and plump the skin.

Glycerin helps lock in moisture, while Panthenol and Centella Asiatica Extract soothe and promote skin regeneration. Prebiotics strengthen the skin's natural barrier and support a healthy microbiome.

Smoothes skin texture

Boosts skin hydration for lasting comfort

Reduces the appearance of wrinkles

Soothes dry and tight skin

DIRECTIONS FOR USE

Apply to cleansed skin of face, neck and neckline, gently massage in. Use morning and evening under your cream.

VENOME CICA REPAIR

CALMING CREAM

Intensive Repair & Soothing Formula

Day and night cream

| Irritated, dry, itchy skin, prone to atopic dermatitis and eczema |

ACTIVE INGREDIENTS

Madecassoside

Asiaticoside

Centella Asiatica Leaf Extract

Ceramide Complex

Panthenol

Allantoin

Shea Butter

Glycerin

95% ingredients of natural origin

ACTION

Developed for irritated and sensitive skin, the formula supports the restoration of the skin's protective barrier from the very first use. Suitable for skin regeneration after invasive aesthetic medicine procedures. It soothes itching and discomfort, reduces redness, and provides intense hydration.

A ceramide complex rebuilds the hydrolipidic barrier, offering long-lasting protection. Madecassoside and Asiaticoside from Centella Asiatica immediately calm the skin and support its regeneration.

Panthenol and allantoin soothe irritation and aid healing, while shea butter and glycerin nourish and help retain moisture in the skin. The synergy of these ingredients delivers effective, restorative care for reactive and dry-prone skin.

Soothes irritation and itching

Reduces redness and inflammation

Deeply hydrates and nourishes the skin

DIRECTIONS FOR USE

Apply topically several times a day to clean, dry skin. Repeat as needed.

Sebum-reducing & acne-controlling formula

Day and night cream

| Mixed, oily, acne-prone skin |

ACTIVE INGREDIENTS

Niacinamide

Azelaic Acid

Tranexamic Acid

Squalane

Althaea Officinalis Root

Glycerin

Caprylic/Capric Triglyceride

96% ingredients of natural origin

ACTION

Formulated for uneven, sensitive, and acne-prone skin needing gentle renewal and microbiome support. Combines niacinamide, azelaic acid, and tranexamic acid to visibly improve skin tone, reduce imperfections, and visibly fade discoloration.

Soothing Althaea Officinalis root extract works in synergy with glycerin to provide long-lasting hydration and calm irritated skin. Squalane and caprylic/capric triglycerides restore the lipid barrier, ensuring softness, smoothness, and a lightweight, non-greasy finish.

Reduces sebum production

Restores skin's softness and smoothness

Prevents the formation of blemishes and blackheads

DIRECTIONS FOR USE

Apply a small amount of the cream to cleansed facial skin, with special attention to the T-zone. Use every morning and evening.

Assessment of the marketing declarations claimed for the cosmetic product AFTER 4 WEEKS OF REGULAR PRODUCT USE

The product visibly regulates sebum production.	92%*
The product regenerates the skin.	100%*
The product gently exfoliates, leaving skin looking regenerated/renewed.	96%*
The product improves skin elasticity.	100%*

Seboregulating & balancing formula

Day and night cream

| Mixed, oily, acne-prone skin |

ACTIVE INGREDIENTS

Niacinamide

Squalane

Citrus Limon Peel Extract

Faex Extract

Hedera Helix Extract

Salvia Officinalis Extract

Saponaria Officinalis Extract

Nasturtium Officinale Extract

Fucus Vesiculosus Extract

92% ingredients of natural origin

ACTION

Formulated for problematic skin showing overproduction of sebum and a tendency to develop imperfections. Contains an active seboregulating complex with zinc, yeast ferment and horse chestnut and watercress extracts to reduce oiliness and help cleanse pores.

Selected extracts of ivy, lemon, burdock, borage, sage and other plants regulate the skin microbiome, counteract shine and promote detoxification. Panthenol, niacinamide and allantoin soothe irritation, reduce redness and accelerate epidermal regeneration.

Reduces sebum and blackheads

Minimizes the appearance of pores

Leaves skin mattified, smooth, and refreshed

DIRECTIONS FOR USE

Apply a small amount of the cream to cleansed facial skin, with special attention to the T-zone. Apply every morning and evening.

PURIFYING CLEANSING GEL

Sebum reducing & acne-controlling formula

Cleansing gel

| Mixed, oily and acne-prone skin |

ACTIVE INGREDIENTS

Niacinamide

Salicylic Acid

Caffeine

Zinc Gluconate

Vitamin E

Fucus Vesiculosus Extract

Arctium Majus Root Extract

Nasturtium Officinale Extract

93% ingredients of natural origin

ACTION

This light cleansing gel with the Sebum Reduction and Acne-Control Complex gently removes excess sebum while normalizing its production and reducing blemishes.

Salicylic acid helps reduce inflammatory breakouts, while niacinamide evens skin tone and improves its appearance. Zinc gluconate provides a mattifying and antibacterial effect, and Bladderwrack extract detoxifies and soothes the skin. Panthenol and ammonium glycyrrhizate help calm irritation and support skin comfort.

Reduces sebum production

Tightens pores

Minimizes skin imperfections

DIRECTIONS FOR USE

Apply on your hands, spread, add some water to form delicate foam. Wash your face (avoiding the conjunctival sac). Rinse.

DYE-FREE

VEGAN-FRIENDLY

The product reduces sebum by an average of 69% after 14 days of regular use.*

VENOME PURE SKIN

SOOTHING SERUM

Skin soothing and imperfections reduction

Day and night serum

| Mixed, oily, acne-prone skin |

ACTIVE INGREDIENTS

Niacinamide

Salicylic Acid

Decylene Glycol

o-Cymen-5-ol

Squalane

Pentylene Glycol

93% ingredients of natural origin

ACTION

Developed with problematic skin in mind, prone to excessive sebum production and imperfections. Niacinamide helps regulate sebum production, minimize the appearance of pores, and soothes inflammation.

Salicylic acid penetrates the sebaceous glands, helping to unclog pores from within, restore skin balance, and prevent minor blemishes. Decylene glycol provides antibacterial action and supports the skin's microbiome balance. Squalane delivers lightweight hydration without clogging pores, reinforcing the skin's natural protective barrier.

O-Cymen-5-ol enhances the purifying effect of the formula with its potent anti-septic properties. Pentylene glycol acts as a humectant, improving skin hydration and enhancing the penetration of active ingredients.

Reduces sebum and blackheads

Tightens pores

Reduces imperfections

Smooths the skin

DIRECTIONS FOR USE

Apply a small amount of the serum to cleansed facial skin, focusing on the T-zone, every morning and evening under the cream.

Assessment of the marketing declarations claimed for the cosmetic product AFTER 4 WEEKS OF REGULAR PRODUCT USE

The product softens the epidermis.	100%*
The skin regains its elasticity.	100%*
The product reduces the tendency to blackheads.	100%*

Skin revitalization and brightening

Day & night serum

| For skin that needs brightening, hydration, and firming |

ACTIVE INGREDIENTS

Vitamin C

Vitamin E

Troloxerutin

Medicago Sativa

Prebiotic

88% ingredients of natural origin

ACTION

A brightening vitamin C serum for daily care of the face and eye area, designed for tired, dull skin lacking firmness. A stable form of vitamin C smoothens, firms, and brightens the skin, restoring a radiant, healthy glow.

Vitamin E provides deep hydration and helps soothe irritation, while troloxerutin reduces the appearance of dark circles and supports microcirculation.

Prebiotics reinforce the skin's protective barrier and help maintain its natural microbiome. Medicago Sativa extract revitalizes the skin and helps even out the skin tone.

Brightens and smoothes the skin

Improves firmness and elasticity

Reduces dark circles and signs of fatigue

Strengthens the skin's protective barrier

DIRECTIONS FOR USE

Apply to cleansed skin of the face, neck, décolleté and around the eyes. Gently pat. Follow with a suitable cream. Use morning and evening.

| Sensitive, dry, and very dry skin prone to irritation and redness |

ACTIVE INGREDIENTS

Panthenol

Prebiotic

Sodium lactate

Shea butter ester

Glycerin

Vitamin E

Lactic Acid

93% ingredients of natural origin

ACTION

A gentle gel with a deeply moisturizing and prebiotic complex. It cleanses the skin while supporting regeneration and strengthening the natural lipid barrier thanks to ingredients like glycerin and shea butter esters, which provide intense hydration and softness.

Prebiotics help maintain the skin's microbiome balance, while panthenol and vitamin E soothe and calm irritation.

Calms dry and sensitive skin

Protects and hydrates

Strengthens the skin's natural barrier

Softens and smoothes

DIRECTIONS FOR USE

Apply a small amount of gel to wet skin and gently massage. Rinse thoroughly with lukewarm water. Repeat if necessary. Suitable for adults and children aged 3+.

EMOLLIENT BODY BALM

Hydrating & calming formula

Body balm

Sensitive, extra dry skin prone to atopic dermatitis - flaky, rough, itchy, reddened, with a burning sensation

ACTIVE INGREDIENTS

Urea

Prebiotic

Allantoin

Glycerin

Lipid complex

Vitamin E

95% ingredients of natural origin

ACTION

Soothing balm for dry, sensitive, and irritation-prone skin. Urea, glycerin, and a lipid complex intensely moisturize, soften, and prevent flaking.

Shea butter and plant oils restore the hydrolipid layer and strengthen the skin's protective barrier.

Prebiotics support the natural microbiome and improve skin resilience. Allantoin soothes irritation and accelerates epidermal regeneration.

Hydrates and prevents skin flaking

Soothes irritated skin

Improves skin resilience

Rebuilds the skin barrier

DIRECTIONS FOR USE

Apply 1-2 times a day a thin layer of body balm on washed and dried skin, pat gently. Use on the whole body. For adults, children and babies from 1st day of life.

Assessment of the marketing declarations claimed for the cosmetic product AFTER 4 WEEKS OF REGULAR PRODUCT USE

Moisturises, soothes and improves skin condition, even in cases of long-term dry skin problems.	92%*
Prevents dryness and flaking of the epidermis.	96%*
It relieves itching and tightness of the skin.	92%*
Has a noticeable, beneficial effect on the hydro-lipid layer of the epidermis.	92%*

Hydrating & calming formula

Micellar water

| Sensitive, allergy-prone skin |

ACTIVE INGREDIENTS

Glycerin

Panthenol

Allantoin

Centella Asiatica Extract

Lactic Acid

91% ingredients of natural origin

ACTION

A gentle micellar water designed for sensitive and allergy-prone skin. It effectively removes makeup and impurities without disturbing the skin's natural balance.

Thanks to ingredients like glycerin, panthenol, and Centella Asiatica extract, it provides deep hydration, soothes irritation, and supports skin regeneration. Allantoin and lactic acid help smooth and soften the skin, while Poloxamer 184 ensures gentle yet effective cleansing.

Gently cleanses and removes makeup

Hydrates the skin

Strengthens the skin's natural barrier

Soothes sensitive skin

DIRECTIONS FOR USE

Soak a cotton pad with a small amount of micellar water. Gently wipe the face, eyes, neck, and décolletage. Repeat the process until the cotton pad remains clean. No rinsing with water required.

VEGAN-FRIENDLY

VENOME WHITENING GLOW

DARK SPOT CORRECTION CREAM

Skin pigmentation-correcting formula

Day & night cream

| Skin with dark spots and uneven tone |

ACTIVE INGREDIENTS

Arctostaphylos Uva Ursi Leaf

Mitracarpus Scaber Extract

Biotin

Vitamin E

Citric Acid

Decylene Glycol

96% ingredients of natural origin

ACTION

Lightening cream helps reduce the appearance of discoloration and evens out skin tone on the face, décolletage, hands, back, and delicate areas such as underarms, bikini line, and skin folds.

Enriched with Arctostaphylos Uva Ursi Leaf and Mitracarpus Scaber extracts, it naturally brightens the complexion and diminishes discoloration. Biotin supports healthy skin renewal, while Vitamin E provides antioxidant protection and promotes skin repair.

Citric Acid gently exfoliates, revealing a fresher, more radiant look. Decylene Glycol further refines the skin by targeting pigmentation and offering antibacterial care for a clearer, more luminous appearance.

Reduces dark spots

Evens out the skin tone

Gently exfoliates

Supports skin renewal and provides antioxidant protection

DIRECTIONS FOR USE

Apply on skin and pat gently. Use regularly twice a day for minimum 4 weeks.

Assessment of the marketing declarations claimed for the cosmetic product

The product gives the skin a feeling of regeneration.	93%*
The product helps reduce the number and intensity of spots and discolorations.	92%*

VENOME WHITENING GLOW

TONE CORRECTION BODY BALM

Skin pigmentation-correcting formula

Lightening body balm

| Skin with dark spots and uneven tone |

ACTIVE INGREDIENTS

Niacinamide

Tranexamic Acid

Arctostaphylos Uva Ursi Leaf

Mitracarpus Scaber Extract

Glycyrrhiza Glabra Root

Vitamin E

94% ingredients of natural origin

ACTION

Tranexamic acid, niacinamide, and plant extracts from licorice and bearberry work together to visibly brighten discolorations and even out skin tone on the face, décolletage, hands, back, and delicate areas such as underarms, bikini line, and skin folds.

Enriched with Arctostaphylos Uva Ursi Leaf and Mitracarpus Scaber extracts, it naturally brightens the complexion and diminishes discoloration.

Niacinamide reduces the appearance of dark spots, strengthens the skin barrier, and improves texture.

Tranexamic acid targets hyperpigmentation at its source, helping fade existing spots and prevent new ones.

Bearberry extract, a natural source of arbutin, and licorice root extract with glabridin both inhibit tyrosinase activity to reduce melanin production.

Brightens and evens out the skin tone

Provides natural protection and hydration

Strengthens the skin's natural barrier

Reduces dark spots

DIRECTIONS FOR USE

Spread evenly in circular motions over cleansed and dried skin. Use regularly, at least twice a day.

Assessment of the marketing declarations claimed for the cosmetic product

The product brightens and illuminates the skin.	96%*
The product noticeably reduces the intensity of discolouration.	88%*
The product provides a feeling of intense skin moisturisation.	92%*
The product visibly restores elasticity to the skin.	88%*
